There is a place for everyone and all talents and interests are appreciated! Below are brief descriptions for each of the Crews where Parent Volunteers are essential.

UNIFORM CREW

The uniform crew keeps the Band looking good. They measure and fit for band and guard uniforms during Band Camp. Uniforms are assigned to students and organized on racks for storage and travel. The uniform crew helps at football games, competitions, and performances. Sewing skills are helpful but not required.

COLOR GUARD CREW

The color guard crew makes sure the color guard is dressed properly and ready to take the field in uniform with hair and make-up done.

FOOD CREW

The food crew prepares meals and snacks to feed all band members and parent volunteers on away competition days.

DRINK CREW

The drink crew volunteers will need to set up and serve drinks during band camp and at competitions.

PIT CREW

The pit crew attends all home football games, performances and competitions. They usually travel ahead of the Band and are essential for the loading and unloading of uniforms, instruments, equipment and props. They are responsible for getting everything on and off the field, usually in a short amount of time. The pit crew also helps create the props and other items requested by the Band Directors.

HOME COMPETITIONS

We are hosting 2, possibly 3, competitions this season. It takes many people to run a successful competition so we need at least one parent/relative of each student to work at least ½ a day at each competition we host. You will receive an email to sign up for a job that interests you closer to the dates of the competitions we will host. The competitions we will host in 2021 are tentatively scheduled for September 11th, and October 9th, possibly another.

PARENT MEETINGS

Parent meetings are held on the 3rd Tuesday of every month at 6:00 in the High School Band Room. We discuss and make decisions that affect the band at every meeting so please plan to attend.
